Are you sick and tired of the rich and corporations controlling decisions about our communities? Do you think its time for banks to pay their fair share? Are you ready to stand up and be a part of the 99% movement? Then join the ACCE Canvas team!

Background: San Diego ACCE is part of the California Calls, a statewide civic engagement effort which has 20 member organizations contacting over 500,000 voters throughout the state. Our program's goal is to develop effective issue framing and messaging that builds support and creates a new center of gravity for progressive tax and fiscal reform. We will also identify and mobilize voters and community leaders to build a movement of leaders that want to challenge the status quo on the need for tax and fiscal reform.

Responsibilities:

Through phone calls and door to door canvassing, canvassers will be identifying supportive voters, explaining information of critical ballot initiatives and inviting supportive families to community meetings.
